Princesa Gara red

type of wine	red
alcohol content	13,5%
grape varieties	listán negro / syrah
type of aging	french oak barrels
barrel	6 months
Designation of origin	Lanzarote

Princesa Gara red is the wine with which we wanted you to discover the island of Lanzarote as a land of great reds.

It is made with grapes from the plots surrounding the winery, one of the few slopes of vineyard that we can find in Lanzarote. They are stony and shallow soils, whose harvests are of very low production, but exceptional quality.

After fermentation, it is aged for six months in oak barrels from the best French cooperages.

COLOUR

Dense, with rich robe and violet rims.

NOSE

This is a wine of high aromatic intensity. The violets take the olfactory protagonism, seasoned with notes of toffee and coffee.

MOUTH

In the mouth it is powerful, with sweet tannins that lengthen its passage and with roasted nuances, typical of its ageing in wood.

A red wine at the same time silky, structured and full of contrasts. Ready to drink immediately, but it will be even better after a while in the bottle, thus providing great satisfaction.
