

Princesa Gara

rosé

listán negro
LANZAROTE

Princesa Gara rosé

type of wine	rosé
alcohol content	13%
grape varieties	listán negro
type of aging	on lees
barrel	no
Designation of origin	Lanzarote

Princesa Gara rosé is one step forward of our listán negro. After a rigorous selection of bunches that are then pressed directly without maceration with the skins, we obtain a must yolk of little layer of colour, but loaded with sensations. After fermentation we keep it in the cellar for several months working its lees, thus gaining in unctuousity and tempering its natural freshness.

COLOUR

Delicate pale and transparent salmon pink, in the style of Provencal rosés.

NOSE

Delicate and deep, with a medium-high aromatic intensity in which floral notes of violets stand out.

MOUTH

Fresh and at the same time dense and unctuous, long-lasting and with great aromatic persistence.

A modern wine with a cosmopolitan character that never ceases to amaze with its freshness and elegance.
