Vega de Yuco

Vega de Yuco rosé

type of wine	rosé
alcohol content	12,5%
grape varieties	listán negro
type of aging	rosé
barrel	no
Designation of origin	Lanzarote

Vega de Yuco rosé is made with the traditional racking process, with a shorter maceration time than the one used to produce our Yaiza. The result is a fresher rosé with great intensity in the mouth.

COLOUR

It has a characteristic intense cherry colour with light raspberry rims.

NOSE

Aroma rich in nuances and tendency to sweet perfume of wild fruits.

MOUTH

In the mouth it is fresh, pleasant and full. Tasty, full-bodied and with a long fruity finish.

Vega de Yuco rosé is ideal to accompany starters, salads, grilled fish, vegetable dishes and soft pulses. For those occasions when there are plenty of reasons to enjoy a good wine.
