**Esencia de Yaiza rosé** comes exclusively from the listán negro variety and is made following the traditional racking method.

This is a traditional rosé wine. It stands out for its high layer of colour and great fruit intensity.

### COLOUR

Intense traditional rosé from Lanzarote, with violet nuances in its youth, which evolve towards ruby tones at maturity.

### NOSE

It evokes memories of ripe red fruit, such as strawberry or raspberry. Its aroma is characteristic of our favourite varietal: the listán negro.

### MOUTH

In the mouth it is dense and consistent, with tannic nuances that strengthen its freshness. It is a wine of long passage, with a marked fruit aftertaste.

A perfect rosé to whet the appetite in the aperitif, which continues to shine in the presence of main dishes such as pasta and rice.
