Esencia de Yaiza semi-sweet is made exclusively with malvasía volcánica.

The harvest is carried out with the slightly overripe grapes to achieve a good balance between the natural sweetness of the grape and at the same time be able to obtain a fresh and integrated wine.

COLOUR

Pale yellow as the reflection of the dawn, clean and brilliant, with tones that denote freshness and youth.

NOSE

It presents great aromatic intensity, with a floral character of Jasmine or Orange blossom, reminiscent of the characteristics of a malvasía with a higher level of maturity.

MOUTH

The balance between sweetness and freshness stands out. This is a wine with a high aromatic persistence and an easy passage that invites you to continue enjoying it.

Yaiza semi-sweet is the perfect companion for medium to high curing cheeses and fruit-based desserts.
