Esencia de Yaiza red

type of wine	red
alcohol content	13%
grape varieties	listán negro
type of aging	oak barrel
barrel	4 months
Designation of origin	Lanzarote

Esencia de Yaiza red is made with the best listán negro grapes, which come to our winery from hundred-year-old vineyards pampered by winemakers who love the land and the good work. A wine matured in oak barrels from the best barrels it keeps. It is the maximum representative of the unique and surprising character of a variety of exclusive cultivation in the Canary Islands.

COLOUR

Of violet tones it has a medium-high layer that will turn over time into a ruby tone..

NOSE

Elegant and varietal on the nose. The marked personality of the listán negro blends with certain notes of toasted oak, red fruits, toffee and coffee. A wine that in its background is broad and deep.

MOUTH

Of an Atlantic character, fresh and pleasant passage, reminiscent of the roasted notes of the barrels. Clearly unctuous on the palate.

Essencia de Yaiza red is the perfect accompaniment to any game meat, sausages and dishes with pulses.
